

The Conveyor Equipment Manufacturers Association

Introduces the *First Edition* of the
CEMA Application Guide for Unit Handling Conveyors

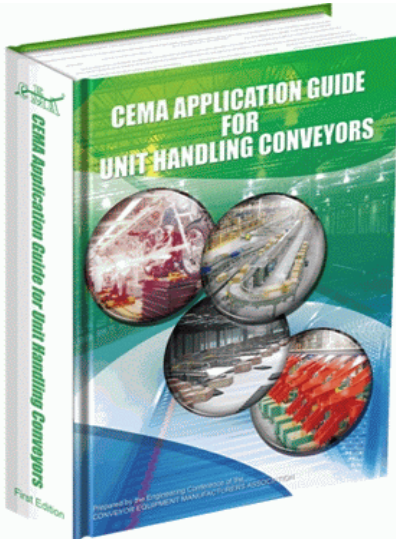

Summary

The *CEMA Application Guide for Unit Handling Conveyors* is the only in-depth guide for design details and application guidance for Unit Handling Conveyors in the world. It contains information on all Unit Handling Conveyors, Pallets, Cartons, Totes, Monorail, Etc.

This book is the **must-have** reference book for both novice and experienced engineers, universities, distributors, OEMs, consultants, maintenance personnel, and end users of this machinery.

CEMA developed this book in collaboration with the most established and respected companies in the Conveying Industry. It was designed to be a useful technical reference tool similar to the world renowned **CEMA Manual** "*Belt Conveyors for Bulk Materials*", now in its Sixth Edition.
