

JULY 2012

did

YOU

did YOU know?

know?

.....that CEMA is going to give you what you have been asking for in the CEMA Belt Book? Have you guessed? **METRICS**

.....that CEMAs Unit Handling Safety Committee is producing a BEST PRACTICE document on “Area Guarding & Spill Guarding”?
Coming Soon!

.....that CEMAs upcoming **7th Edition of the Belt Book** will be available in Portuguese?

.....that CEMA is **anticipating going to print** on their 7th edition belt book in the first quarter of 2013?

.....that CEMAs Screw Conveyor Committee will be releasing this Fall, the “**CEMA Installation, Operations and Maintenance Manual**” ?

.....that CEMAs Bucket Elevator Committee is working on a publication called “**Bucket Elevator Design Application**”?

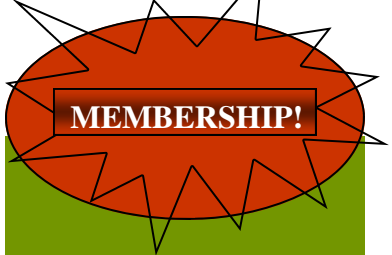

.....that CEMAs Seminars are all certified *Professional Engineer Continuing Education hours*?

Finite Element Analysis for Screw and Belt Conveyors
