CEMA Safety Labels

Placement Guidelines

Product: Bulk Handling Equipment

Equipment: Drag Conveyors

To be placed on removable guards to warn that operation of the machinery with guards removed would expose chains, belts, gears, shafts, pulleys, couplings, etc. Which create hazards.

To be placed on inlets and discharges, troughs, covers, and inspection doors of screw conveyors to provide warning against exposed moving parts while in operation.

Exposed moving parts can cause severe injury

LOCK OUT POWER before removing guard

Exposed conveyors and moving parts can cause severe injury

LOCK OUT POWER before removing cover or servicing
