

## THE VOICE OF THE CONVEYOR INDUSTRY OF THE AMERICAS

### CEMA MEMBERS IN THE NEWS

August 2017

#### Dos Santos International Celebrates 20 Years of Business

Dos Santos International business built from the ambitions of a young Portuguese immigrant and is celebrating 20 years in operation. Joe Dos Santos, the founder and President of Dos Santos International, was brought to the land of opportunity in 1959. He dreamed of starting a family company. That dream became a reality on July 7, 1997, when he started DSI. To read more about the journey of this company and Joe Dos Santos journey, [click here](#).

#### Martin Engineering—Powered Conveyor Belt Tracker: Continuous, Precise Adjustment

A new powered conveyor belt tracker from Martin Engineering delivers immediate and continuous precision adjustment of hard-to-track reversing conveyors, helping operators reduce spillage and extend the life of belts and other system components.

#### Dorner Appoints New Regional Sales Manager for Texas and Louisiana

**Scott Lister** has been appointed Regional Sales Manager covering Texas and Louisiana for Dorner Mfg. Corp. Lister brings more than 20 years of industry experience to Dorner.

#### Automatic Systems, Inc. Takes Part in 3rd Annual Heroes on The Dunes

ASI participated in donations for the August 5, 2017, Annual Event 'Heroes on the Dunes' at Silver Lake Sand Dunes, Michigan, in cooperation with Operation Injured Soldier for disabled veterans as a tribute and to show our appreciations for these heroes of our military. If you are interested in participating in any events for **Operation Injured Soldier** please go to their website: <https://www.injuredsoldiers.org>

#### Hapman Announces New Industrial Internet-Of-Things initiative

Hapman announces a new initiative with DATTUS ([www.dattus.com](http://www.dattus.com)), an industrial Internet-of-Things (IIoT) platform, to bring Industrial IoT value to its customers.

#### About Conveyor Equipment Manufacturers Association

The Conveyor Equipment Manufacturers Association (CEMA) is a premier organization whose member companies (Manufacturers and Engineering Companies) represent a select group of industry leaders. For more than 80 years CEMA members have worked tirelessly on three main fronts to advance the industry. Standardization of publications, safety, and statistical reporting. For more information, For more information, see <https://www.cemanet.org>

**ASGCO® Announces It's Cast Urethane Screen Wear Products for Superior Abrasion and Impact Resistance.**

ASGCO® has expanded the use of their Cast Urethane products to include screen parts. Rubber Compounds that are compounded to 90 or 95A durometer have compromised physical properties. Just the opposite is true of poly-urethanes which maintain their properties and superior performance characteristics regardless of hardness.

**Dos Santos International To Supply High Angle Conveyors For Buritica Project**

Dos Santos will be providing two DSI Sandwich belt high angle conveyors, in cooperation with M3 Engineering, Tuscon, AZ USA for Continental Gold's Buritica project in Antioquia, Columbia. The DSI Sandwich high angle conveyors will serve as transfer conveyors elevating crushed pebble ore, each at a rate of 135 t/h, and operating at an incline angle of 45 degrees.

**Dorner Announces Vanessa Hinrichs is Recipient of the 2017 Richard C. Ryan Packaging Scholarship!**

**Vanessa Hinrichs**, a student at the University of Wisconsin - Stout, is the recipient of the 2017 Richard C. Ryan Packaging Education Scholarship, funded by Dorner Mfg. Corp. This \$2,000 scholarship, established in honor of Richard Ryan, the former president and CEO of Dorner, who passed away suddenly in September 2012, is awarded to a student enrolled in a two- or four-year program at any school partnered with PMMI (The Association for Packaging and Processing Technology).
